These employees will collectively earn \$11,934,667

In hospitality careers:

376 Empower L.A. graduates will gain employment

These graduates will collectively earn \$23,776,927

L.A. Kitchen is dedicated to finding and creating jobs for formerly incarcerated men and women, youth transitioning from foster care, and individuals who are unemployed or underemployed. Our goal is to ensure these jobs pay living wages and offer benefits. Whether at L.A. Kitchen and our social enterprise businesses or with our partners across Los Angeles, we believe in the economic impact and opportunity employment creates for our graduates and our community.
